## 140. 2001 Harlan Estate, Napa Valley

This wine is valued in the \$950 range by Vinfolio and received a rare 100-point rating from Robert Parker, Jr.

- A 750ml bottle of Harlan Estate's wonderful 2001 vintage

"Rivaling the 1994 and 1997, the 2001 Harlan Estate is another perfect wine for my palate. Tasted on four separate occasions, this offering, which spent 28 months in oak before being bottled unfinned and unfiltered, is an extraordinary effort that comes across as a hypothetical blend of Mouton-Rothschild, La Mission-Haut-Brion, and Montrose. A synthesis in style between the more elegant, delineated, structured 1994, and the port-like, over-the-top, viscous 1997, this extraordinary 2001 was the wine of my trip, even though I had already had it from bottle several months earlier. An inky/purple color is accompanied by a stupendous bouquet of lead pencil shavings interwoven with coffee, new saddle leather, melted licorice, cedarwood, black currant liqueur, and violets. Explosive richness, a marvelous, full-bodied texture, and fabulous purity, concentration, complexity, and nobleness are the stuff of legends. 100 points."
